

Consultation on the Future of Europe

Take part here

You are invited to contribute to this [online consultation](#) drafted by citizens themselves. You can also react to the [White Paper](#) on the Future of Europe, and participate in [Citizens' Dialogues](#) organised by the European Commission or in other debates in your country.

EU leaders are committed to a Europe that brings real results in issues that matter most to people. Ahead of a dedicated EU Summit in Sibiu, Romania, and the European elections in 2019, national leaders agreed on a Leaders' Agenda on pressing issues and challenges where solutions are needed.
